their campusesTraining of newstudentleaders will culminate at the Coalition of Student Leaders' Summit in Fairbanks on August 7.6t the August summit, the new leaders will learn about the coalition and its function while introducing them to new leadership and organizational structulealso serves as a time to adopt the activities for the year and elect new officers.

At the April Board of Regents meeting in Sitka, UAF Scholollandagement proposed differential tuition model The coalition solicited tudent input on the proposed befor the UAF SOM programs. In general, the students disagree with the increase. Talietion will ask for letters and input from students

A Resolution of Appreciationwas passed recognizing

Faculty Alliance Cathy Cahill, Chair

Faculty Alliancehad a very productive year. I believe much of this productivity is because the communication between Faculty Alliance and the statewide administration is the best I have ever seen it. I really appreciate President Gamble and Vice President Thomas's effect to inform the faculty of upcoming issues and listen to our recommendations on how to resolve them.

This year Faculty Alliance has been working effectively across MAUs to improve our student learning outcomes, streamline our processes, and address issues of concern to the regents, state legislators, staff,
